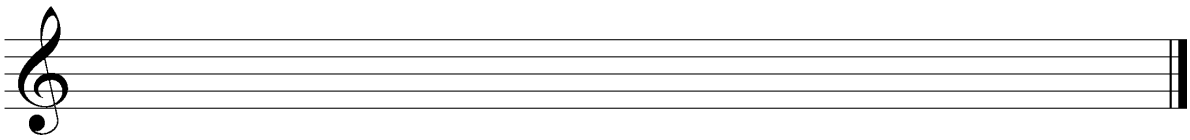
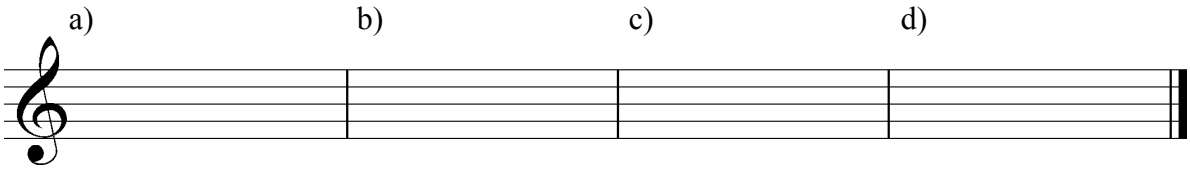
C MAJOR SCALE AND CHORD CREATOR

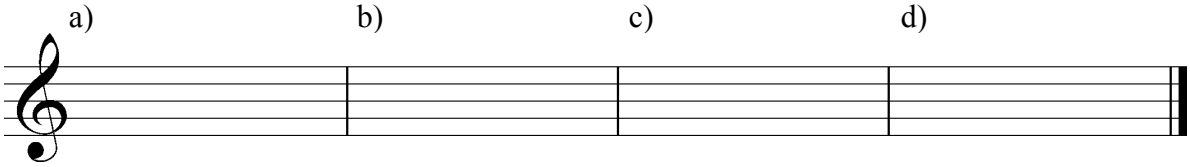
1) Write a C major scale on the staff below. Write the note names above the staff and number the scale degrees below the staff:



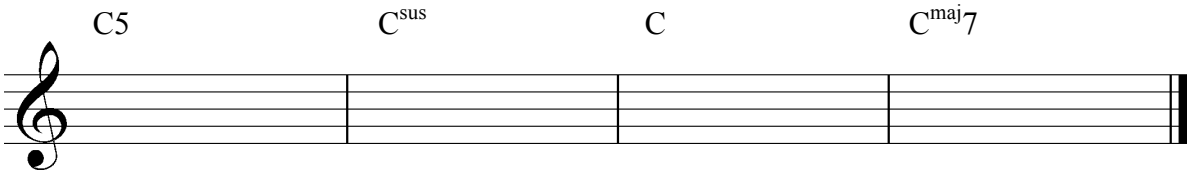
2) Write the following with chord symbols:
a) C major triad (using whole notes)
b) C major arpeggio (using quarter notes)
c) C major seventh chord (using whole notes)
d) C "five" chord (using whole notes)



3) Write the following with chord symbols:
a) C dominant seven chord (using whole notes)
b) C major ninth chord (using whole notes)
c) C suspended 4th chord (using whole notes)
d) Four note C arpeggio (using quarter notes)



4) Write the following chords on the staff below using whole notes:



5) Play the above chord progression. Use a sustain pedal and a time source such as a metronome or drum beat.

6) Repeat step 5. Add a bass note with your left hand.
